

Thailand: Chyapa ('Coach KC')

Location: Thailand
Nationality: Thai
Languages: English / Thai

Chyapa has 25 years' working experience, with 13 years as a country leader of global leading IT/Telco organisations such as AT&T, Equant (France Telecom subsidiary) and Anixter. She is strong in the areas of sales and marketing, account management, business development, customer service, recruitment and project management, bringing that wealth of experience to her chosen focus: coaching.

As a highly qualified coach, Chyapa helps her clients – managers, corporate business leaders, and SME business owners – in creating awareness, shifting mindsets, energising lives and empowering potential for achieving their goals, balancing their work/life, building their teamwork, enhancing their relationship and fulfilling their life purpose. Chyapa is very experienced in one-on-one coaching, team coaching and team facilitation with a proven track record in managing progress and accountability for clients.

Chyapa is President of the Bangkok Chapter of the ICF and is also a highly experienced trainer, delivering coaching skill workshops to organisations across Thailand.
