

PRESENTATION SKILLS

How to be a more confident presenter

OVERVIEW

This programme gives the foundation skills you need to improve the impact, clarity and structure of your presentations.

It can be flexed to meet the needs of people new to presenting, or to challenge those who have presented

extensively in the past. (There's an alternative version for groups of up to 6, which allows for filming and individual feedback).

Master the physical factors, harnessing the power of non-verbal communication. Engage your audience.

Learn how to structure your presentation for best results.

Deal with questions more effectively.

Boost your confidence.
