

Czech Republic: Petra Simkova

Location: Prague
Nationality: Czech
Languages: Czech / English / French / Russian

Petra is a professional trainer, coach, and consultant with over 21 years of experience. She specializes in designing and delivering developmental training programs for both teams and individuals. Her areas of expertise include managerial skills, presentation skills, communication skills, facilitation skills, train the trainer, and personal growth. Petra's training approach is highly participant-focused, interactive, and motivating. She excels in fostering attitude change and actively promotes engaging discussions.

Since 2002, Petra has provided training to clients from diverse backgrounds, including senior and line management, sales representatives, call center staff, team leaders, and internal trainers. She has worked across various sectors such as banking, finance, manufacturing, and education, demonstrating her versatile and broad-reaching skills in professional training.
